ABOUT US

TÜRKÇE

2005'den beri faaliyet gösteren **MAK MEDİKAL**; 1987'den beri farklı sektörlerde faaliyet gösteren DÜLGER GRUP A.Ş.'nin sağlık sektöründeki koludur. Çeyrek asırlık bilgi birikimi ve deneyimleriyle; yeni ve ikinci el medikal cihazlar, medikal sarf malzemeler, biomedikal teknik servis, bakım ve yönetim hizmetleri, hastane ve hastane içerisinde departman kurulumu ve medikal inovasyon konusunda sizlere çözüm ortağı olacak güçlü bir ekibe sahip dinamik bir şirkettir.

Güven, müşteri memnuniyeti ve sonuç odaklı çalışmak temel prensiplerimizdir. Güncel teknolojiyi yakından takip ederek ve güçlü çözüm ortaklarımızla birlikte; en son teknolojiye uygun kaliteli ürünleri en ekonomik koşullar altında değerli müşterilerimize sunmayı hedeflemekteyiz.

En önemli ayrıcalığımız çeyrek asrı aşan sektörel deneyimiz ile satış sonrası hizmet ve destektir.

ENGLISH

MAK MEDİKAL, which has been operating since **2005**, is the health sector branch of DÜLGER GRUP A.Ş., which has been operating in different sectors since 1987. With a quarter of a century of knowledge and experience; It is a dynamic company with a strong team that will be your solution partner in new and second-hand medical devices, medical consumables, biomedical technical service, maintenance and management services, hospital and hospital department establishment and medical innovation.

Our basic principles are trust, customer satisfaction and result-oriented work. By closely following the current technology and together with our strong solution partners; we aim to offer quality products in accordance with the latest technology to our valued customers under the most economical conditions.

Our most important privilege is after-sales service and support with our sectoral experience of more than a quarter century.

FRANÇAIS

MAK MEDİKAL, qui opère depuis **2005**, est la branche du secteur de la santé de DÜLGER GRUP A.Ş., qui opère dans différents secteurs depuis 1987. Forte d'un quart de siècle de connaissances et d'expérience, c'est une entreprise dynamique dotée d'une équipe solide qui sera votre partenaire en matière de solutions pour les dispositifs médicaux neufs et d'occasion, les consommables médicaux, les services techniques biomédicaux, les services de maintenance et de gestion, l'installation dans les hôpitaux et les services hospitaliers et l'innovation médicale.

Nos principes de base sont la confiance, la satisfaction du client et le travail axé sur les résultats. En suivant de près la technologie actuelle et en collaboration avec nos partenaires accompagnant des solutions solides, nous visons à offrir des produits de qualité conformes à la technologie la plus récente à nos clients estimés dans les conditions les plus économiques.

Notre privilège le plus important est le service après-vente et l'assistance grâce à notre expérience sectorielle de plus d'un quart de siècle.

ABOUT US

РОССИЯ

Компания **MAK MEDİKAL**, работающая с **2005** года, является филиалом DÜLGER GRUP A.Ş. в секторе здравоохранения, который работает в различных отраслях с 1987 года. Обладая знаниями и опытом, накопленными за четверть века, эта динамично развивающаяся компания с сильной командой станет вашим партнером в области новых и бывших в употреблении медицинских приборов, медицинских расходных материалов, технического обслуживания биомедицины, технического обслуживания и управления, создания больниц и больничных отделений и медицинских инноваций.

Наши основные принципы - доверие, удовлетворенность клиентов и работа, ориентированная на результат. Внимательно следя за современными технологиями и сотрудничая с нашими надежными партнерами, мы стремимся предлагать качественную продукцию в соответствии с новейшими технологиями нашим уважаемым клиентам на самых выгодных условиях.

Наша самая важная привилегия - послепродажное обслуживание и поддержка благодаря нашему отраслевому опыту, насчитывающему более четверти века.

Şirketimiz, 2005 yılında faaliyete geçmiştir, DÜLGER GRUP A.Ş.'nin sağlık sektöründeki koludur. Çeyrek asırlık bilgi birikimi ve deneyimleriyle; yeni ve ikinci el medikal cihazlar, medikal sarf malzemeler, biomedikal teknik servis, bakım ve yönetim hizmetleri, hastane ve hastane içerisinde departman kurulumu ve medikal inovasyon konusunda sizlere çözüm ortağı olacak güçlü bir ekibe sahip dinamik bir şirkettir.
